

(g) *Notice to GAO.* If the agency has not fully implemented the GAO recommendations with respect to a solicitation for a contract or an award or a proposed award of a contract within 60 days of receiving the GAO recommendations, the head of the contracting activity responsible for that contract shall report the failure to the GAO not later than 5 days after the expiration of the 60-day period. The report shall explain the reasons why the GAO's recommendation, exclusive of costs, has not been followed by the agency.

(h) *Award of costs.* (1) If the GAO determines that a solicitation for a contract, a proposed award, or an award of a contract does not comply with a statute or regulation, the GAO may recommend that the agency pay to an appropriate protester the cost, exclusive of profit, of filing and pursuing the protest, including reasonable attorney, consultant, and expert witness fees, and bid and proposal preparation costs. The agency shall use funds available for the procurement to pay the costs awarded.

(2) The protester shall file its claim for costs with the contracting agency within 60 days after receipt of the GAO's recommendation that the agency pay the protester its costs. Failure to file the claim within that time may result in forfeiture of the protester's right to recover its costs.

(3) The agency shall attempt to reach an agreement on the amount of costs to be paid. If the agency and the protester are unable to agree on the amount to be paid, the GAO may, upon request of the protester, recommend to the agency the amount of costs that the agency should pay.

(4) Within 60 days after the GAO recommends the amount of costs the agency should pay the protester, the agency shall notify the GAO of the action taken by the agency in response to the recommendation.

(5) No agency shall pay a party, other than a small business concern within the meaning of section 3(a) of the Small Business Act (see 2.101, "Small business concern"), costs under paragraph (h)(2) of this section—

(i) For consultant and expert witness fees that exceed the highest rate of

compensation for expert witnesses paid by the Government pursuant to 5 U.S.C. 3109 and 5 CFR 304.105; or

(ii) For attorney's fees that exceed \$150 per hour, unless the agency determines, based on the recommendation of the Comptroller General on a case-by-case basis, that an increase in the cost of living or a special factor, such as the limited availability of qualified attorneys for the proceedings involved, justifies a higher fee. The cap placed on attorneys' fees for businesses, other than small businesses, constitutes a benchmark as to a "reasonable" level for attorney's fees for small businesses.

(6) Before paying a recommended award of costs, agency personnel should consult legal counsel. Section 33.104(h) applies to all recommended awards of costs that have not yet been paid.

(7) Any costs the contractor receives under this section shall not be the subject of subsequent proposals, billings, or claims against the Government, and those exclusions should be reflected in the cost agreement.

(8) If the Government pays costs, as provided in paragraph (h)(1) of this section, where a postaward protest is sustained as the result of an awardee's intentional or negligent misstatement, misrepresentation, or miscertification, the Government may require the awardee to reimburse the Government the amount of such costs. In addition to any other remedy available, and pursuant to the requirements of subpart 32.6, the Government may collect this debt by offsetting the amount against any payment due the awardee under any contract between the awardee and the Government.
